

CATAIRE SCREENING

10, Linstone Drive, Norton, Yarmouth, Isle of Wight. PO41 0RL

E- Mail – enquiries@cataire.co.uk Web – www.cataire.co.uk

ADDITIONAL COMPONENTS

All kits come complete with all necessary parts. However, if you understand how all of the components are used, you are able to order exactly what you need to make up screens and avoid any wastage. You may have some mesh and Velcro over from a previous order and could use this together with some additional bars, corners and spline to make another screen.
